

## **NTDSE uses Infinite Campus for online registration**

NTDSE collects all registration information via an electronic system called Infinite Campus. All student information including emergency contacts and transportation requests will be collected through this system.

### ***Residents of Districts 67, 69, 219***

Your home district currently uses this system therefore, you have an existing Campus Portal account. Please use your existing log-in to register for NTDSE programs. This is the same log-in you used to register at your home school district (Districts 67,69, 219). Log into your Campus Portal account at <https://sis.niles-hs.k12.il.us/campus/portal/niles.jsp>.

Please select ***Niles Township District for Special Education*** from the drop-down menu.

### ***Residents of Districts 68, 70, 71, 72, 73, 73.5, 74 and those from any non-NTDSE member district***

Please use the link below to create an account.

Once you have submitted the required information you will receive an email from Infinite Campus with an activation link. Be sure to scroll to the bottom of the email, there, you will see a link and the statement *"Please click the link below to begin the registration process"*

You will then be able to begin the Online Registration Process.

***Please note, NTDSE registration is not confirmed until you have registered and completed the necessary residency requirements in your home school district.***
